

Dear residents:

We wanted to inform you that as of tomorrow the Municipal Building access will be limited to staff only. The purpose of doing this is to limit close contact between residents as well as members of the staff. This practice will be in effect until further notice.

Members of the public can find most forms and applications on our website. Property Tax information can also be accessed from the website.

Payments, forms and applications may be dropped off in the secure Brown Box located on the front wall of the Municipal Building.

Staff in Municipal Offices will be available by phone or email to answer questions and provide assistance. Please leave a message if you are transferred to a voice mail. Your call will be returned.

Thank you for your cooperation and understanding.

The Township Committee
